

Chatting about blowing bubbles

What you can do

- Your child can describe what type of bubbles they want to blow: big/ little/lots of bubbles.
- If you are blowing the bubbles, your child can request more bubbles: "I want more big bubbles please"
- Make bubble snakes: using an empty plastic bottle, cut the end off, place a washcloth/cotton sock over the open hole and secure with an elastic band. Dip fabric covered end into a bowl of bubble solution and blow through the open hole.
- Use different size blowers to make different sized bubbles and different amount of bubbles

What you can talk about

How to blow a bubble: rounding of the lips, deep breath in and blow gently through the bubble wand.
Count the bubbles: 1, 2, 3, 4, 5 etc...

Which bubble blower was their favourite, why?: it made little bubbles! It made one big giant bubble! It made lots of bubbles!

- **Describe the bubbles:** big, little, clear, bright, blue, giant, tiny, single, transparent, wet, sticky, pop!
- **Describe where the bubbles popped:** outside (on the leaves, in the air, under the table) inside (next to the chair, on the ceiling, behind the lamp) body (on my head/ arm/ hair/ leg/ finger)
- **How do the bubbles make you feel?** happy, excited, nervous
