Make believe

Pretend to be the farmer who needs to feed the animals, chat about who eats the grass and who needs other kinds of food, imagine an adventure where an animal escapes from the field – how are you going to get them back

What grass is like

Long, soft, green,
bendy, spiky, tall,
short, warm

Language for thinking

Why is grass green?
Think of things that help it to grow. Compare long and short grass. What other things are green?
