

## Things to do with bread

### What you can do

- Make a sandwich
- Feed the ducks
- Cut out shapes using pastry cutters
- Make mini sandwiches for a teddy bears picnic
- Toast the bread
- Make holes in the bread slices to make funny faces

### What you can talk about

#### What you are doing:

Cutting  
Slicing  
Spreading  
Scooping, stamping,  
Breaking, throwing  
Toasting

#### Language for thinking

Compare the slices of bread ( thin , thick); discuss how you are going to make a sandwich: what you will do first, next , last; play a guessing tasting game and talk about what you think is in the sandwich; compare flavours of different breads and chat about which you prefer, which you might choose)

#### What the bread is like

Floppy, thin, thick,  
sliced, unsliced, brown,  
white, seedy, grains,  
warm, crunchy, soft

#### Make believe

Talk about the kind of sandwiches that different toys would like ( tiny, huge, jam, cheese, healthy, unhealthy, sweet , savoury)
