

Things to do with road signs

What you can do

- Go for a walk and see how many road signs you can spot
- Print off some road sign pictures then go on a walk or a drive to find them
- Make your own road signs and create a road out of wall paper

What you can talk about

What the signs mean
Warning you of danger; showing you where something is; giving you information; helping you

Who the signs are for: for drivers; for people who are lost; for people who want to buy something

What the signs are like: their shape; how tall; how big; the colours and patterns on the signs ; temporary; permanent

Make believe

Make your own signs to use on a pretend road

Language for thinking: Compare the signs; discuss what happens if you do and don't obey the warning signs; try and guess what the sign could be telling you
